## A MESSAGE FROM THE PRESIDENT

The Kennesaw Museum Foundation, Inc. was instrumental in raising awareness and financial support for the \$6 million expansion of the Southern Museum of Civil War and Locomotive History that opened on March 30, 2003. As a member of the prestigious Smithsonian Affiliations Program the Southern Museum of Civil War and Locomotive History offers a unique educational experience for the entire family. With three impressive permanent collections and a 3,500 sq. ft. temporary exhibit gallery the museum serves as a cultural and educational focal point for the entire southeastern United States.

The Kennesaw Museum Foundation continues to play an active role in the educational mission of the Museum. The Museum plays host to thousands of school children and the Foundation provides monies to develop teacher packets, living history presentations, and for the purchase of hands-on activities. Moreover, the Foundation supports the Museum and its efforts to develop quality temporary exhibits and to offer stimulating and educational lecture series. Your generous support of the Foundation helps to ensure the success of the Museum.

Sincerely,

Paul Y. Chastain  
President, Kennesaw Museum Foundation, Inc.
